RE: ATTORNEY LOUNGE AT JEFFERSON PARISH JUVENILE COURT

Dear Members of the Bar,

In an effort to accommodate the attorneys that enter our courthouse, the judges of Jefferson Parish Juvenile Court have created an attorney lounge. The lounge is located in an office on the second floor of the courthouse with access from the second floor waiting room. The lounge is equipped with a telephone, computer and printer.

In order to access the attorney lounge you must request the door key from the receptionist at the information station on the first floor and submit your bar card in exchange for the key.

Please share this information with your fellow bar members. Thank you for your service to the justice community and we look forward to seeing you at our courthouse in the future.

Sincerely,

Ann Murry Keller
Chief Judge, Section A

Amanda Chauvin Calogero
Judge, Section B

Barron C. Burmaster
Judge, Section C
